Cheshire—The Borell Bros, are planning to take an automobile trip to Colorado, expecting to occupy three weeks time in the journey. If they meet favorable conditions there they may make a permanent stay.

Papers in five cases were filed on Wednesday with Clerk George E. Parsons of the superior court:

Suit for \$7,500 damages has been started by Fridia Attini of Brooklyn against Albert W. Avery of Montville. The action is the result of a collision on the highway between Lyme and New London, on Sept. 28, 1915. The plaintiff was riding in an automobile owned and operated by Monsour J. Hyder. The defendant was operating a motorvehicle in the same direction. In attempting to pass the defendant's machine the machine the plaintiff was riding in was overturned when it was run into by the defendant's machine. The plaintiff was badly injured when the machine overturned.

An action claiming \$3,000 damages has been brought against Albert W. Avery by Anna Hyder of Springfield, wife of Monsour J. Hyder. She was a passeager in the Hyder car and suffered injuries as the result of the same collision.

TO SEND FUTURE

RECRUITS IN BATCHES Will be Sent to the Border

Score or More at a Time. Commanding officers at stations to which recruits for the National Guard which recruits for the National Guard are sent for enlistment will hereafter send the recruits to their commands when a batch of twenty or more has been secured, instead of waiting for a larger number, as was formerly the plan, according to orders from head-quarters of the department of the east at Governors Island. The order states that when twenty or more recruits have been equipped, the commanding officer will recommend to department headquarters a National Guard officer in the federal service on duty at the station in question to conduct recruits station in question to conduct recruits to the organization to which the lat-ter may be assigned. If there is no such National Guard officer at the rendezvous, the commanding office will recommend a non-commissione officer of the regular garrison for the above duty.

Captain Conner said he had received a letter from Captain George E. Cole of the Signal troops to the effect that at the border there was a particular need of men technically trained, such as electricians, and that therefore any order from department headquarters which would facilitate the quick transportation of recruits to the border would be welcomed ascordingly.

der would be welcomed asccordingly. Warren D. Hoff of South Coventry was accepted for the regular army by Sergeant M. M. Shores at the recduiting office at No. 450 Asylum street at Hartford. Hoff will go to Fort Slocum Wednesday for enlistment and will join the cavalry.

Announced Engagement at Party. The engagement of Miss Isobel Fen-on, daughter of Henry Fenton, of Clairmont avenue, to E. Newton Dick-enson of New London, was announced at a party given in Miss Fenton's hon-or at her home on Saturday evening Supper was served after which dano-ing and singing were enjoyed.
